## MEMORANDUM OF AGREEMENT

### RE: Substitute Custodians and Building Maintenance

#### Preamble:

The parties to the 2011-2013 Agreement between the Board of Education of the Chinook School Division #211 and the CUPE Employees from local 4754 acknowledge that both the procurement of substitute facility operators/custodians has been problematic for employees and for the Employer. The parties also acknowledge that school building lawn maintenance and snow removal has also been problematic for certain schools.

#### Agreement:

1. Chinook School Division will develop a substitute procurement program designed to increase both the number of and the availability of substitute custodial staff.
2. Chinook School Division will also more clearly define, through its Facilities Standing Committee, a process for schools to look after excessive snow removal and school yard maintenance.
3. Recommendations coming from the Chinook School Division Facilities Standing Committee will be reviewed by bargaining committee representatives.
4. Article 2.02 will be respected by all parties.

Signed this 25 day of Jan, ~~2024~~ 2025
